Academy

Dear Student:

*We are pleased to inform you that you have been accepted at
"The Mirror Academy of future talents."*

*We know you have been blessed with many different talents and
personal qualities, which is the main requirement for being part
of the Academy.*

*As part of the process, you have also been convened for the
exceptional Metforts School's training program that we will put
into operation the following days..*

*Our main objective is to remind all our students about how
important is the power of imagination and mind cultivation.*

*Imagination is a limitless power. Are you ready to use your
superpower?*
